Dear Community Partner,

Leadership Lowndes is a local nonprofit organization comprised of 30 active members and over 800 alumni committed to recognizing leaders, developing their team building skills, and improving our community as it grows. We also have a Lowndes Youth Leadership League made up of high school students participating in a modified similar experience. Through a collective force of men and women serving in our organization, Leadership Lowndes has been able to give nearly \$100,000 back into our community along with countless volunteer hours over the last two years as they serve the needs of the local nonprofits.

Leadership Lowndes is a one year commitment filled with various program days showcasing our community in many ways people have never experienced. The members are able to learn about our local area as they engage and interact during each program day. From our history and economic growth to our current successes and trials, this will be a firsthand experience one will never forget.

As a sponsor, you will have the opportunity to partner with us as we make our program days possible and successful. Enclosed is a sponsorship form outlining all the packages of participation. We hope that you will consider a partnership with us at any level. We strongly encourage all donations to be sent in within three weeks of the pledge in order to ensure that your business receives all benefits of the sponsorship. Should you have any questions, please feel free to contact the board members listed at the bottom. For more information about Leadership Lowndes projects, please visit www.leadershiplowndes.com.

Thank you in advance for your generous support,
