Work to be accomplished

We are hosting a BINGO night fundraiser. We are focusing on raising funds for updating the kitchen and laundry rooms at The Haven as well as providing participants information on the work of The Haven and their impact on Lowndes County.

Goals for funds to be raised

We are hoping to raise approximately \$5,000.00 for this service project.

Overall project goals

We hope to raise \$10,000.00 or the equivalent in buying power with discounts, etc., for the purchase of a commercial grade refrigerator, freezer, clothes washer, and clothes dryer. If funds will allow, we would like to provide commercial grade counters for the kitchen as well. We will have a priority list of these projects and help The Haven as funds permit.
