

Leadership Lowndes Spring 2019 Newsletter

THIS QUARTERLY NEWSLETTER IS TO INFORM ALUMNI ABOUT
THE INCREDIBLE WORK THAT LEADERSHIP LOWNDES
CONTINUES TO DO IN OUR GREAT COMMUNITY!

The Year Began with another great trip to Jekyll Island

The class got to know each other at Jekyll Island and learned about the community. They also expressed what they would like to see in our community's future.

One of the new features of the weekend was an exercise on community partnership and how we all need each other to make our community better.

Legislative Day

The group met with our local delegation along with learning about the upcoming state budget and how it affects that Valdosta and Lowndes County area.

Moody Day

The 2019 class got the opportunity to see more of Moody Air Force than ever before. They walked the flight line and spoke with airmen that protect us all over the world. Some class members got a little too close to the Moody K-9 unit.

Letter from the President

Leadership Lowndes began in 1988 with a vision to identify and develop leaders that would go on to help make our community a better place. Our organization has changed over the years and we will continue to evolve. This year, we developed a Strategic Plan that we will utilize to move forward in a clear direction.

Our plan focuses on 3 areas:

1. Alumni Involvement: Develop a plan to re-engage alumni.
2. Branding: We will create a community and business awareness of the value and relevancy of Leadership Lowndes.
3. Leadership Development: Our goal is to develop a sustainable program for both Leadership Lowndes and the Lowndes Youth Leadership League that will give a clear direction for a cohesive program throughout the year focusing on building leadership skills and knowledge of our community and how all areas work together.

Many thanks to 2018 President, Stan Crance for his vision to bring in Dr. Ronald Zaccari with his expertise in helping develop this plan as well as Guardian Bank for their support. We have taken a realistic look at what has made the program successful for 30 years and we've also looked at areas to improve. I am proud of the hard work this volunteer Board has done so far, and I am challenging future Boards to continue to build Leadership Lowndes as one of the top leadership programs in the State of Georgia. I'm excited to see what the future holds.

Angie Crawford,
2019 President, Leadership Lowndes
